Social Story

Transitioning to
John Tonkin College
Education Support Centre

Guidelines

A social story uses storytelling techniques to explain new experiences and environments. Anyone who is nervous when attending a place or event for the first time may benefit from access to a social story.

We recommend you follow these guidelines:

- Read the social story preferably two weeks in advance of visit.
- If reading to someone, help the person to understand key points.
- Once the visit has taken place, re-read the social story to celebrate achievements.

This social story is for students transitioning to John Tonkin College Education Support Centre (JTCECSC).

Location

JTCECSC is located within John Tonkin College - MET Campus.

It is next to South Metropolitan TAFE and Murdoch University's Mandurah Campus.

It is 300m away from Bunnings Mandurah.

Transport

If I take the school bus to JTCECSC, it will stop outside the front of the school, where a duty staff member will welcome me. Together, we will walk to the front office.

Mobile Phones

Upon arrival at school, I will be required to place my mobile phone in a designated tray for safekeeping throughout the day. I can retrieve my phone at the end of the day.

Principal

I will have a new school principal.

The name of the principal is Mrs Lucas

The principal is in charge of an entire school, they are considered the 'big boss' and work hard to make sure the entire school runs as planned.

Sometimes I will see the principal walking around the school grounds saying hello
